The design is bespoke for Goodnestone and will be a timber-framed structure in the style of a 17<sup>th</sup> Century Orangery. The marquee has ash plank flooring, a nautical compass style dance floor, botanical interior lining and a sound limiter speaker system. The marquee will include tables and chairs for the event as well as parking for all guests, early entry for marquee/catering, on-site monitoring by the House Manager and general assistance with coordination of all suppliers involved with your event. The marquee will cater for a maximum of 120 people with further layout options for smaller numbers.
