## Welcome to the Old Dairy

As the name suggests the building is one of the original Estate Dairies and was converted in 2017

We are very passionate about our food, making everything ourselves where possible from scratch. All our cakes, bread, pastry and desserts are baked on the premises, and all our chutneys, pickles and pâté are homemade. We are fortunate to have some of the best local produce available including a selection of vegetables, fruit and herbs grown in our own garden.
