

OLD DAIRY CAFÉ

As the name suggests this building is one of the original Estate Dairies and was converted in 2017. We are very passionate about our food, making everything ourselves where possible from scratch. Our sourdough starter is at least 29 years old!
We are even fortunate enough to have a selection of vegetables, fruit and herbs grown in our own garden.

Please speak to a member of the team if you have any questions regarding the menu, allergies or dietary requirements.
